

To: All Residents of Ascan Avenue Owners Corp.  
From: ARAS Properties, Inc.  
Date: August 22, 2022  
Subject: Dog Etiquette

It has once again come to the attention of The Board of Directors that not all residents are properly curbing their dogs. Of particular concern, is the urination and defecation occurring in the grass plot along the Ascan Avenue driveway. Please refrain from allowing your dog to relieve itself on Corporation property. As a reminder, house rule #5 reads in part:

“...owners are responsible to properly clean up after their pet.”

Failure to abide with the house rule may result in the imposition of a fine. We sincerely hope this will not be necessary. Let's all work together to keep our property a clean and healthy environment for all to enjoy.
